Members may note that the Notice and Annual Report has been disclosed on the website of the Company at www.uvhospitality.com and also available on the website of the Stock Exchange at www.bseindia.com and on the website of CDSL at www.evotingindia.com. As per Regulation 36(1)(b) of Listing Regulations, as amended, a letter containing the web-link, including the exact path, where complete details of the Annual Report are available, is being sent to all the Shareholders who have not registered their Email IDs with the Company or Depository Participants or Registrar & Transfer Agent (RTA) of the Company.
6. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA and SEBI Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
7. For this purpose, the Company has appointed Mr. Hemang Satra, Company Secretary, having Membership No. ACS-54476 & Certificate of Practice No. 24235 as the Scrutinizer for conducting the e- voting process in a fair and transparent manner.
8. The Company has engaged Central Depository Services Limited ("CDSL") as the agency to provide the remote e-voting and in AGM e-voting facility and the instructions for e-voting are provided as part of this Notice.
9. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the Cut-Off Date i.e., Tuesday, 23rd September, 2025.
10. Corporate Members intending to authorise their representatives to attend the AGM pursuant to Section 113 of the Act, are requested to send to the Company, a certified copy of the relevant Board Resolution together with the respective specimen signatures of those representative(s) authorised under the said resolution to attend and vote on their behalf at the meeting.
11. The Members of the Company can join the AGM through VC/OAVM 15 minutes before and after the scheduled time of the commencement of the AGM. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 Members of the Company on first come first served basis. This will not include large Members (Members holding 2% or more shares of the Company), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of various Committees of the Company, Auditors etc. who are allowed to attend the AGM without any restriction.
12. The attendance of the Members at the AGM through VC/OAVM will be counted for the purpose of determining the quorum under Section 103 of the Act.
13. Members are requested to submit their queries/requests for clarification, if any, on the Annual Report via e-mail at compliance.thirdwave@gmail.com latest by Monday, 15th September, 2025, to enable the Company to furnish the replies at the AGM.
14. The Company's Equity Shares are listed on BSE. The Company has paid the annual listing fees for the financial year 2025-2026.
15. In terms of Section 72 of the Companies Act, 2013 and Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014, every holder of securities of the Company may, at any time, nominate, in the prescribed manner, a person to whom his/her securities of the Company shall vest in the event of his/her death. Members, who wish to avail of this facility, may fill in the prescribed Form No. SH-

13 and forward the same to Niche Technologies Private Limited.

16. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant ('DP') and holdings should be verified from time to time.
17. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.uvshospitality.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of CDSL (agency for providing the Remote e-Voting facility) i.e. www.evotingindia.com.
18. The documents referred to in the Notice of the AGM are available for inspection electronically without any fee by the Members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to compliance.thirdwave@gmail.com.
19. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
20. As per Regulation 40 of the Listing Regulations, securities of the listed companies can only be transferred in demat form with effect from 1st April 2019, except in case of request for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holding to demat form. Members can contact the Company or Niche Technologies Private Limited (RTA) for assistance in this regard.
21. Members may please note that SEBI has made Permanent Account Number (PAN) as the sole identification number for all participants transacting in the securities market, irrespective of the amount of such transactions. SEBI has also made it mandatory for submission of PAN in the following cases: (i) Deletion of name of the deceased Member(s) (ii) Transmission of shares to the legal heir(s) and (iii) Transposition of shares.

Further, the Members are requested to kindly note that as per SEBI circular bearing no SEBI/HO/MIRSSD_RTAMB/PCIR/2021/655 dated 3rd November, 2021, it is mandatory for Members holding shares in physical form to register their PAN, KYC details, Bank particulars and Nomination against their folio no. PAN is also required to be linked to Aadhar No. by the Members to be considered as valid PAN.

Members holding shares in physical form are requested to provide Form ISR1, ISR2 and Nomination Form duly filled and signed along with the hard copy the following self-attested documents to Niche Technologies Private Limited for registration against their respective folio(s):

- Identity Proof: Copy of PAN card/ Aadhar Card

- In the absence of any of the above information registered against your folio no., your folio no. will be frozen for any updation/ dividend payment in accordance with the aforesaid Circular.
- Form ISR1, ISR2 and Nomination forms are available on the website of Company www.uvshospitality.com and on the website of our Registrar and Transfer Agent at www.nichetechpl.com.

22. In order to increase the efficiency of the e-voting process, SEBI vide its circular SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020, had enabled e-voting to all the demat account holders by way of a single login credential through their demat accounts/ websites of Depositories / Depository Participants. Demat account holders would be able to cast their vote without having to register again with the e-voting service providers (ESPs), thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
23. Members holding shares under multiple folios are requested to submit their applications to Niche Technologies Private Limited for consolidation of folios into a single folio.
24. Since the AGM will be held through VC/OAVM, the Route Map is not annexed to this Notice.

25. THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on Saturday, 27th September, 2025 at 9.00 a.m. and ends on Monday, 29th September, 2025 at 5.00 p.m. The remote e-voting module shall be disabled by CDSL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Tuesday, 23rd September, 2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Tuesday, 23rd September, 2025. The e-voting module shall be disabled by CDSL for voting thereafter.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Management Discussion and Analysis for the Annual Report 2024-25

Industry Structure and Development:

The Company is currently exploring in Food and Beverages Industry. The Indian food industry is poised for huge growth, increasing its contribution to world food trade every year. In India, the food sector has emerged as a high-growth and high-profit sector due to its immense potential for value addition. The Indian food processing industry accounts for 36.5 per cent of the country's total food market, one of the largest industries in India and is ranked fifth in terms of production, consumption, export and expected growth.

Opportunities & Threats, Trends & Strategies:

Opportunities of Food and Beverage Industry:

- Online Store & Delivery

Most of the world-leading brands in the food and beverage industry are converting their business online where people would have the option to choose any of their favorite food items and place their order for delivery.

- Technology to Reduce Cost

If the food and beverage industry adopts technology in the maintenance of recording, smart broiler and ovens in the kitchen, and online ordering system, then the whole business would become efficient, there won't be any delaying cost or kitchen-related safety incidents.

- Higher Income

The income of the ordinary working class has been increasing for the past few years, it's because of wage laws. When people have extra money, then they would spend by eating well. More sales mean more profit.

- Higher Population

Population across has been increasing across the world. Although it has many disadvantages, it's beneficial for the food and beverage industry. It is because a higher population means more people to feed, more people means more sales.

Threats of Food and Beverage Industry:

- Competition

Technology and online shopping have made the entrance into this industry quite easier. Resultantly, the food and beverage industry has become very competitive.

- Fewer suppliers

Since the market is very competitive, but the supplying sources of raw material are limited.

- Customers' Changing Tastes

Since the market is crowded with many competitors and customers have many options to order the same product.

- Cost Pressures

The recent inflationary wave has caused serious costing & profitability concerns. The food and beverage industry has been badly affected by it.

Trends & Strategies of the Food and Beverage Industry:

- Strong Distribution Network

A very good distribution system makes the products available to the customers regardless of their location.

- Costing

Cheap prices make products affordable to customers.

- Relations with Suppliers

When you have reliable suppliers, then you wouldn't face shortages and delays in the delivery of products.

- Influence of Social Media

With the help of social media we can reach a higher customer base.

Outlook:

Trading sales this year is were affected due to high fluctuations in prices in market place however growth in sales is likely to be spurred in future years. Outlook for the current year remains moderate due to high inflationary pressures resulting in huge price/demand variations.

Internal Control System:

The Company has adequate internal control procedures commensurate with its size and nature of business. The objective of these procedures is to ensure efficient use and protection of the company resources, accuracy in financial reporting and due compliance of statutes and company policies & procedures. Checks and balances exist in the system to ensure that all transactions are adequately authorized and reported correctly.

Risks & Concerns:

The Company's operations are subject to risks which can impact business performance essentially with regard to prices of basic materials. The management is seized of assessing such risks and takes measures to address the same.

Human Resources Development:

The Company appreciates that human assets constitute the driving force behind the company's growth plans. The Company has, during the previous year, continued to have good relations with its employees. Your Company would like to record the whole-hearted support and dedication received from the employees at all levels.

Cautionary Statement:

Statement in the Management Discussion and Analysis describing the Company's position and expectation may be "forward looking statements" within the meaning of applicable securities laws & regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operation include, among others, economic conditions affecting demand/ supply, changes in Government regulations, tax laws and other statutes and incidental factors.

INDEPENDENT AUDITOR'S REPORT

To The Members of,

M/s. UVS Hospitality and Service Limited.

(Formerly Known as M/s. Thirdwave Financial Intermediaries Limited)

Report on the Audit of IND AS Standalone Financial Statements

Opinion:

We have audited the accompanying IND AS Standalone financial statements of **UVS Hospitality and Services Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid IND AS Standalone financial statements give the information required by the **Companies Act, 2013** ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribe under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025:

- i. In the case of the balance sheet of the state of affairs of the company as at 31st March 2025
- ii. In the case of the statement of profit and loss for the year ended on that date
- iii. In the case of the total comprehensive income
- iv. In the case of the statement of cash flow for the year ended on that date
- v. In the case of the statement of changes in equity for the year ended on that date

Basis for Opinion:

We conducted our audit of the Standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical independent requirements that are relevant to our audit of the standalone financial statements under the provision of the Companies Act 2013 and Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have observed is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information Other than the Standalone financial statements and Auditor's Report Thereon:

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's

Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

"We have nothing to report in this regard."

Management's Responsibility for the Standalone financial statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the IND AS and other accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone financial statement:

Our objective is to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

Our responsibility is to express an opinion on these financial statement based on our audit. We have taken into account the provision of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provision of the act and rules made thereunder

An audit involves performing procedures to obtain audit evidence about the amounts and disclosure in the financial statements. The procedure selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor consider internal financial control relevant to the company's preparation of the financial statement that give true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system, over financial reporting and operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure (**'Annexure A'**) a statement on the matters specified in paragraph 3 and 4 of the Order to the extent applicable..
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit

Annexure 'A' TO THE INDEPENDENT AUDITOR REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF M/s. UVS HOSPITALITY AND SERVICES LIMITED (Formerly known as M/s. THIRDWAVE FINANCIAL INTERMEDIARIES LIMITED)

Referred to in paragraph 1 under section "Report on Other Legal and Regulatory Requirements ", of our reports of even date

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

1. In respect of the Company's Property, Plant and Equipment and Intangible Assets:

- a) (i) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- (ii) The Company does not have any intangible assets.

The Company has a program for physical verification Property, Plant and Equipment to cover all the items in a phased manner i.e., at least once every three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Property, Plant and Equipment, which under the said programme of physical verification, were physically verified during the previous financial year by the management. The discrepancies noticed on such verification were not material and were reconciled and dealt with in its accounts by the Company in the current financial year.

- b) According to the information and explanations furnished to us, and based on the records examined by us, the title deeds of immovable properties included in the fixed assets register are held in the name of the Company except to the extent stated in Note No.s4 of the financial statements. Immovable properties of land whose title deeds have been mortgaged as security for loans, guarantees etc., are held in the name of the Company based on the information furnished to us by the Company.
 - c) The Company has not revalued any of its Property, Plant and Equipment (including right- of-use assets) and intangible assets during the year.
 - d) Based on the information, explanations and representations furnished to us during the course of our audit, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2016 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder.
2. a) As per the information and explanations furnished to us, the company's inventories have been physically verified by the Management during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt with in books of account.
- b) The Company has not been sanctioned working capital limits in excess of 5 Crore from banks or financial institutions on the basis of security of current assets. Management has represented to us that for the Overdraft sanctioned, the company is not required to submit any returns or statements to the Banks or financial institutions and accordingly have not submitted any returns or statements to the Banks or financial institutions during the year and hence reporting under clause 3(ii)(b) of the Order is not applicable.
3. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has granted a loan to its subsidiary and employee during the year.

- a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has granted loans to one subsidiary and one employee –

Particulars	Loans (In Actuals)	Guarantee
Aggregate amount granted/provided during the year		
--> Subsidiaries	3,17,21,946/-	Nil
--> Others (Employee)	12,75,000/-	Nil
Balance outstanding as on 31/03/2025.		
--> Subsidiaries	3,17,21,946/-	Nil
--> Others	12,75,000/-	Nil

* Net amount of granted less recoveries if any have been considered.

- b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the loans given are not prejudicial to the interests of the company.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, the principal are repayable on demand, and interest is charged at the rate of 7.5% which is more than G-Sec rate on these loans.
- d) According to the information provided to us and based on our examination of the records of the company, the company has not sought repayment of the loans till the date of Balance Sheet, hence there is no amount overdue for a period of more than ninety days.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan given falling due during the year, which has been renewed or extended or fresh loans given to settle the overdue of existing loans given to the same party.
- f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has granted loans repayable on demand and without specifying terms or period of repayment -

Particulars	All Parties	Promoters	Related Parties
Aggregate amount of Loans: - Repayable on demand (A)	3,29,96,946/-	Nil	3,17,21,946/-
Aggregate amount of o/s Loans: - Agreement does not specify any terms or period of repayment (B)	Nil	Nil	Nil
TOTAL (A+B)	3,29,96,946/-	Nil	3,17,21,946/-

Percentage of Loans/advance in nature of loans to the total loans	100%	Nil	100%

- 4) According to the information and explanations given to us and on the basis of our examination of the records, the Company has complied to the extent applicable with the provisions specified under Section 185 and 186 of the Companies Act, 2013.
- 5) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- 6) Maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- 7) In respect of statutory dues:

(a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Income tax dues, Goods and Service tax and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities and there are no statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

(b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2025, on account of disputes, as per the information and explanations furnished to us, are given below:

Name of the Statute	Nature of Dues	Amount (Rs. In Lakh)	Period to which the amount relates	Forum where dispute is pending
NA	NA	NA	NA	NA

- 8) According to the information and explanations furnished to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- 18) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
-
- 19) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of this Balance Sheet, as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF M/s. UVS HOSPITALITY AND SERVICES LIMITED (Formerly Known as M/s. THIRDWAVE FINANCIAL INTERMEDIARIES LIMITED)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub section 3 of Section 143 of the Companies Act.

We have audited the internal financial controls with reference to Standalone Financial Statements of UVS Hospitality and Services Limited (Formerly known as M/s. Thirdwave Financial Intermediaries Limited) (the "Company") as of March 31, 2025 in conjunction with our audit of the standalone IND AS financial statements of the Company for the year ended on that date.

Managements and Board of Directors' Responsibilities for Internal Financial Controls

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements of the Company based on our audit. we conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, so13, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (s) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial controls with reference to Standalone Financial Statements established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

- Evaluation of expected credit losses on receivables
- Inventory valuation and obsolescence
- Determination of revenue recognition timing and classification

c) **Property, Plant and Equipment (PPE):**

PPE is carried at cost less accumulated depreciation and impairment losses. Cost includes purchase price, installation charges, and any directly attributable expenses for bringing the asset to its intended use. Major renovations and improvements are capitalized, while routine maintenance and repairs are expensed. Depreciation is charged on a written down value method over the estimated useful lives as per Schedule II of the Companies Act, 2013 or management's estimate, whichever is lower.

d) **Intangible Assets:**

Intangible assets consist primarily of software and franchise fees, which are capitalized and amortized over their estimated useful lives, generally 3 to 5 years, using the straight-line method. However the small value of intangible assets are expensed out fully.

e) **Impairment of Assets:**

Impairment of Non-financial assets:

Property, plant and equipment and intangible assets Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

Impairment of financial assets:

The Company recognises loss allowances for expected credit losses on:

- Financial assets measured at amortised cost; and
- Trade receivables

At each reporting date, the Company assesses whether financial assets carried at amortised cost impaired. A financial asset is 'credit- impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Regd. Office : Plot No. 62, Tower - II, 12th Floor, Salt Lake, Millennium City Information Technology Park, Sector-V, Block DN, Bidhannagar, Kolkata, West Bengal, 700064.

Corp. Office : Office No 1205 Plot No 14 REMI Commercio, Near Yash Raj Studio Off Versova Road Andheri West, Andheri, Mumbai, Mumbai, Maharashtra, India, 400053

Tel : 9867344706 / www.twfil.com : investor.thirdwave@gmail.com : CIN:L15100WB1989PLC046886

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. 12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information. The Company assumes that the credit risk on a financial asset has increased significantly if it is more than 30 days past due.

Measurement of expected credit losses: Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured at the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive). Presentation of allowance for expected credit losses in the balance sheet, loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off: The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

f) **Leases (Ind AS 116)**

The Company assesses whether a contract is or contains a lease at the inception of the contract. Right-of-use (ROU) assets and corresponding lease liabilities are recognized at the commencement date. Lease liabilities are measured at the present value of lease payments, discounted using the incremental borrowing rate. ROU assets are measured at cost and depreciated over the lease term or useful life, whichever is shorter. Lease payments for short-term leases and leases of low-value assets are recognized as an expense on a straight-line basis.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

g) Revenue Recognition (Ind AS 115)

Revenue from sale of goods and Services: Revenue is recognized when control of the goods or services is transferred to the customer. In the context of the restaurant business, revenue is primarily recognized at the point of sale when food and beverages are delivered to the customer. Revenue from online orders, dine-in, and Catering services are recognized similarly. Discounts, loyalty programs, and GST & other taxes are accounted for as reductions in revenue.

Interest income: Interest income is included in the other income in the statement of Profit and Loss. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate when there is a reasonable certainty as to realization.

Dividend Income: Dividends are recognized when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend can be measured reliably.

h) Inventories

Inventories consist of food and beverage items and are valued at the lower of cost and net realizable value. Cost is determined on a FIFO basis and includes all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Obsolete and slow-moving items are periodically reviewed and written down as necessary.

i) Financial Instruments

- **Initial recognition:** Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.
- **Subsequent measurement:** Based on the business model and cash flow characteristics, financial assets are classified as amortized cost, FVOCI, or FVTPL.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

Financial assets: Subsequent measurement and gains and losses:

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses:

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

- **Impairment:** The expected credit loss (ECL) model is applied for financial assets measured at amortized cost, such as trade receivables and investment in subsidiaries.

j) Employee Benefits

- **Short-term employee benefits:** Recognized as an expense as services are rendered.
- **Defined contribution plans:** Contributions to provident and other statutory funds are recognized as an expense.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

- **Defined benefit plans:** Gratuity obligations are measured using actuarial techniques and recognized based on projected unit credit method.
- **Leave encashment:** Liability for earned leave is provided on the basis of actuarial valuation.

k) **Income Taxes**

Current tax is measured on the basis of taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases.

l) **Provisions, Contingent Liabilities, and Contingent Assets**

Provisions are recognized when there is a present legal or constructive obligation due to past events and it is probable that an outflow of resources will be required. Contingent liabilities are disclosed when the possibility of outflow is not remote. Contingent assets are not recognized but disclosed when inflow is probable.

m) **Earnings Per Share (EPS)**

Basic EPS is calculated by dividing net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding. Diluted EPS adjusts the figures for the effects of all dilutive potential equity shares.

n) **Cash and Cash Equivalents**

Cash and cash equivalents include balances with banks, cash on hand, and short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash.

b) The rights, preferences and restrictions attaching to each class of shares including restrictions on the distribution of dividends and the repayment of capital:

Equity Capital

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets on winding up. The equity shares are entitled to receive dividend as declared from time to time, subject to preferential right of preference shareholders to payment of dividend. The voting rights of an equity shareholder on a poll are in proportion to his/its share of the paid-up equity share capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable has not been paid. Failure to pay any amount called up on shares may lead to their forfeiture. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts, in proportion to the number of equity shares held.

Fair value hierarchy

Fair value hierarchy explains the judgement and estimates made in determining the fair values of the financial instruments that are-

a) Recognised and measured at fair value

b) Measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

Level 1 - : Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV

Level 2 - : The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

B Measurement of fair values

(i) Valuation techniques and significant unobservable inputs

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The fair values of the Company's interest-bearing loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at 31 March 2025 was assessed to be insignificant.

The following tables show the valuation techniques used in measuring Level 2 fair values. The significant unobservable inputs used have not been disclosed as no financial assets and liabilities have been measured at fair value:

Financial instruments measured at amortized cost	Valuation technique	Significant unobservable inputs
Type		
Loan & Advance	Discounted cash flows: The valuation model considers the present value of expected payment, discounted using a risk-adjusted discount rate.	Not applicable
Security Deposit	Discounted cash flows: The valuation model considers the present value of expected payment, discounted using a risk-adjusted discount rate.	Not applicable

C Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- credit risk (see (b));
- liquidity risk (see (c)); and
- market risk (see (d)).

(a) Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

Board oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. Board is assisted in its oversight role by Internal Audit. Internal Audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

(b) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers; loans and investments in debt securities.

The carrying amounts of financial assets represent the maximum credit risk exposure.

i) Trade receivables and loans:

The Company's trade receivable primarily includes receivables from E-Commerce Platform such as Swiggy, Zomato and third parties payment collector such as UPI, Card swipe POS Machine. The Company has established a credit policy under which each new customer is analysed individually for credit worthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and in some cases bank references.

The Company's loans include recoverable from loans given to wholly owned subsidiaries

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information.

Based on the above analysis, the Company does not expect any credit risk from its trade receivables and loans recoverable for any of the years reported in this financial statements.

ii) Loans, security deposits and investments:

Expected credit loss for loans, security deposits and investments:

Particulars		Period ended	Asset group	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount, net of impairment provision
Loss allowance measured at 12 month expected credit loss	Financial assets for which credit risk has not increased significantly since initial recognition	31-Mar-25	Loans & Advance	311.77	-	-	311.77
			Security Deposit	40.45	-	-	40.45
			Investment	4540.19	-	-	4540.19

			Security Deposit	-	-	-	-
			Investment	-	-	-	-

(Rs in Lakhs)

(e) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses activity-based costing to cost its products and services, which assists it in monitoring cash flow requirements and optimising its cash return on investments.

Maturities of financial liabilities:

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted contractual cash flow, and include contractual interest payments and exclude the impact of netting agreements.

Non-derivative financial liabilities							
Trade Payable	0.34	0.34	0.34	-	-	-	-
	0.34	0.34	0.34	-	-	-	-

(d) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Currency risk

The Company is not exposed to any currency risk. The currencies in which these transactions are denominated is INR.

37 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company monitors capital using a ratio of net debt to equity. For this purpose, net debt is defined as total liabilities, comprising borrowings, trade payables and other liabilities less cash and cash equivalents. Equity comprises all components of equity. The Company's net debt to equity ratio at 31 March 2025 was as follows.

EXPLANATION FOR CHANGES IN RATIO BY MORE THAN 25%

The loss during the year, compared to last year's profit, is mainly due to a change in business objective from the earlier activity to operating a Restaurant & Bar. The transition involved high setup and licensing costs, discontinuance of previous revenue streams, and initial market development expenses. As the new venture is in its early stage, revenues have not yet stabilized to cover costs, resulting in a loss.

INDEPENDENT AUDITOR'S REPORT

To,

Members of

UVS Hospitality and Services Limited (Formerly known as Thirdwave Financial Intermediaries Limited)

REPORT ON THE AUDIT OF THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

Disclaimer of Opinion

We were engaged to audit the accompanying consolidated financial statements of UVS Hospitality and Services Limited (Formerly known as Thirdwave Financial Intermediaries Limited) (hereinafter referred to as the 'Parent company') and its subsidiaries (Parent company and its subsidiaries together referred to as 'the Group'), which comprise the consolidated balance sheet as at March 31, 2025, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, of the consolidated state of affairs of the Group, its associate and joint venture as at March 31, 2025, their consolidated profit (including other comprehensive income), their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Disclaimer of Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associate and joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no Key audit matters to communicate in our report.

OTHER MATTERS

- a) We have audited the financial statements of one (1) subsidiary whose financial statements reflect total assets (before consolidation adjustments) of 692.43 lakhs as at 31 March 2025, total revenue (before consolidation adjustments) of 771.76 lakhs and net cash outflows (before

consolidation adjustments) amounting to 20.27 lakhs for the year ended on that date, as considered in the consolidated financial statements.

Certain subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries.

Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Director's Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed and the reports of other auditor, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules issued there under.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding,

among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on our audit we give in the "**Annexure 1**" a statement on the matters specified in paragraph 3(xxi) of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor;
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;

Annexure “2”

To the Independent Auditors’ Report (Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Consolidated Financial Statements of the Parent Company and its subsidiaries (the Parent Company and its subsidiaries together referred to as “the Group”), which are companies incorporated in India, as of March 31, 2025, in conjunction with our audit of the Consolidated Financial Statements of the parent Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the respective companies, as adopted by each Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

NOTES FORMING PART OF FINANCIAL STATEMENTS OF UVS HOSPITALITY AND SERVICES LIMITED (FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LIMITED)

1. Group Information:

The consolidated financial statements of **UVS Hospitality and Services Limited (Formerly known as Thirdwave Financial Intermediaries Limited)** (“the Company”) together with its subsidiary (collectively referred as the ‘Group’ or the ‘consolidating entities’) are prepared with generally accepted accounting principles in India under the historical cost convention and on an accrual basis of accounting. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year

2. SIGNIFICANT ACCOUNTING POLICIES:

This note provides a list of the significant accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation:

These consolidated financial statements are prepared in accordance with Ind AS under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value, the provisions of the Companies Act, 2013 (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015.

Accounting policies have been consistently applied except where the change is required by an Ind AS or change results in the financial statements providing reliable and more relevant information about the effects of transactions, other events or condition on the entity’s financial position, performance or cash flow.

Investments in subsidiaries, except where the investments are acquired exclusively with a view to its subsequent disposal in the near future, are accounted in accordance with accounting principles as defined in the Indian Accounting Standard (Ind AS) 110 ‘Consolidated Financial Statements’, as prescribed under the Rules.

The financial statements of the consolidating entities are added on a line-by-line basis and material inter-company balances and transactions including unrealized gain and loss from such transactions are eliminated upon consolidation. The following subsidiaries have been considered for the purpose preparation of consolidated financial statements.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

Name of the Entity	Type of Subsidiary	Country of incorporation and other particulars	% of Holding
M/s. British Brewing Company Private Limited	Direct Subsidiaries	Subsidiary of the Company incorporated under the laws of India	100%
M/s. UVS Investment Management Pty Ltd	Foreign Direct Subsidiaries	Subsidiary of the Company incorporated under the laws of Australia.	100%

b) Use of estimates and judgements:

The preparation of the consolidated financial statements in conformity with Ind AS required management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Difference between the actual results and estimates are recognized in the year in which results are known/materialized.

Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

c) Revenue from sale of goods and Services:

Revenue is recognized when control of the goods or services is transferred to the customer. In the context of the restaurant business, revenue is primarily recognized at the point of sale when food and beverages are delivered to the customer. Revenue from online orders, dine-in, and Catering services are recognized similarly. Discounts, loyalty programs, and GST & other taxes are accounted for as reductions in revenue.

Interest income: Interest income is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. While calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instruments but does not consider the expected credit losses.

Dividend Income: Dividends are recognized in the statement of profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group and the amount of the dividend can be measured reliably.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

d) Fair value measurement:

The group measures certain financial instruments at fair value at each reporting date. Certain accounting policies and disclosures require the measurement of fair values, for both financial and nonfinancial asset and liabilities. Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The group uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

e) Property, plant and equipment:

(i) Recognition and initial measurement:

Property, plant and equipment are stated in the balance sheet at their carrying value being the cost of acquisition less accumulated depreciation. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

(ii) Depreciation, estimated useful lives and residual value:

Depreciation on property, plant and equipment is provided on written down value method, computed on the basis of useful lives as estimated by management which coincides with rates prescribed in Schedule II to the Companies Act, 2013. The residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

(iii) De-recognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

(iv) Transition to Ind AS:

On transition to Ind AS, the Group has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2022 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

f) Intangible Assets:

(i) Recognition and initial measurement:

Intangible assets (software) are stated in the balance sheet at their carrying value being the cost of acquisition less accumulated depreciation. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

(ii) Amortization and estimated useful lives:

Amortization of intangible assets is provided on written down value method, computed on the basis of useful lives as estimated by management which coincides with rates prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and method of depreciation of are reviewed at each financial year end and adjusted prospectively, if appropriate.

(iii) Transition to Ind AS:

On transition to Ind AS, the Group has elected to continue with the carrying value of all its intangible assets recognized as at April 01, 2024 measured as per the provisions of Previous GAAP and use that carrying value as the deemed cost of intangible assets.

g) Impairment of assets:

At each reporting date, the Group assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the Group estimates the recoverable amount of the asset or the cash generating unit. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

h) Leases:

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-Use Assets:

The Company recognises right-of-use assets (“ROU Assets”) at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in Section (g) Impairment of non-financial assets.

(ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

i) Financial Instruments:

a. Financial Assets

Initial recognition and measurement:

The Group recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss, are added to the fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit and loss are expensed in the statement of profit and loss. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

a. Debt instruments at amortized cost –

A ‘debt instrument’ is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

b. Equity investments –

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Group decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Group makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of a similar financial asset) is primarily de-recognized when:

- The rights to receive cash flows from the asset have expired; or
- The Group has transferred its rights to receive cash flows from the asset.

b. Financial Liabilities

a. Initial recognition and measurement

The Group recognizes financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial liabilities are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the issue of financial liabilities, that are not at fair value through profit or loss, are reduced from the fair value on initial recognition. Transaction costs that are directly attributable to the issue of financial liabilities at fair value through profit and loss are expensed in the statement of profit and loss.

b. Subsequent measurement

These liabilities include borrowings and deposits. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (EIR) method. Gains and losses are recognized in the statement of profit and loss when the liabilities are de-recognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

c. De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

c. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

j) Employee Benefits:

a. Short-term benefit plans

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized and measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b. Defined contribution plans

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions, if any, are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

c. **Defined benefit plans**

The group's gratuity plan is a defined benefit plan. The present value of gratuity obligation under such defined benefit plans is determined based on actuarial valuations carried out by an independent actuary using the Projected Unit Credit Method [PUCM], which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation. The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on government securities as at the balance sheet date, having maturity periods approximately to the terms of related obligations. Actuarial gains and losses are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

k. **Foreign Currency Transactions:**

a. **Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b. **Conversion**

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

c. **Exchange difference**

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements, are recognized as income or as expenses in the period in which they arise.

l. **Income Taxes:**

Tax expense recognized in statement of profit or loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

Calculation of current tax is based on tax rates and tax laws that have been enacted for the reporting period. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future taxable income. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Un-recognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

m) Provisions, contingent liabilities and contingent assets:

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

UVS HOSPITALITY AND SERVICES LIMITED

(FORMERLY KNOWN AS THIRDWAVE FINANCIAL INTERMEDIARIES LTD)

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

n) Cash and cash equivalents:

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

o) Cash flow statement:

Cash flows are reported using the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated.

p) Operating cycle:

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

q) Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

b) The rights, preferences and restrictions attaching to each class of shares including restrictions on the distribution of dividends and the repayment of capital:

Equity Capital

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets on winding up. The equity shares are entitled to receive dividend as declared from time to time, subject to preferential right of preference shareholders to payment of dividend. The voting rights of an equity shareholder on a poll are in proportion to his/its share of the paid-up equity share capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable has not been paid. Failure to pay any amount called up on shares may lead to their forfeiture. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts, in proportion to the number of equity shares held.

Fair value hierarchy

Fair value hierarchy explains the judgement and estimates made in determining the fair values of the financial instruments that are-

- Recognised and measured at fair value
- Measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

Level 1 - : Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV

Level 2 – : The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

B Measurement of fair values

(i) Valuation techniques and significant unobservable inputs

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

The fair values of the Company's interest-bearing loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at 31 March 2025 was assessed to be insignificant.

The following tables show the valuation techniques used in measuring Level 2 fair values. The significant unobservable inputs used have not been disclosed as no financial assets and liabilities have been measured at fair value:

Financial instruments measured at amortized cost

Type	Valuation technique	Significant unobservable inputs
Loan & Advance	Discounted cash flows: The valuation model considers the present value of expected payment, discounted using a risk-adjusted discount rate.	Not applicable
Security Deposit	Discounted cash flows: The valuation model considers the present value of expected payment, discounted using a risk-adjusted discount rate.	Not applicable

C Financial risk management

The Group has exposure to the following risks arising from financial instruments:

- credit risk (see (b));
- liquidity risk (see (c)); and
- market risk (see (d)).

(a) Risk management framework

The Group's board of directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(b) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers; loans and investments in debt securities.

The carrying amounts of financial assets represent the maximum credit risk exposure.

i) Trade receivables and loans:

The Group's trade receivable primarily includes receivables from E-Commerce Platform such as Swiggy, Zomato and third parties payment collector such as UPI, Card swipe POS Machine. The Group has established a credit policy under which each new customer is analysed individually for credit worthiness before the Group's standard payment and delivery terms and conditions are offered. The Group's review includes external ratings, if they are available, financial statements, credit agency information, industry information and in some cases bank references.

The Group's loans include recoverable from loans given to wholly owned subsidiaries

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

Based on the above analysis, the Group does not expect any credit risk from its trade receivables and loans recoverable for any of the years reported in this financial statements.

ii) Loans, security deposits and investments:

Expected credit loss for loans, security deposits and investments:

(Rs in Lakhs)

Particulars			Period ended	Asset group	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount, net of impairment provision
Loss allowance measured at 12 month expected Loss	Credit	Financial assets for which credit risk has not increased significantly since initial recognition	31-Mar-25	Loans & Advance	19.87	-	-	19.87
				Security Deposit	732.81	-	-	732.81

				Security Deposit	-	-	-	-
				Investment	-	-	-	-

(c)Liquidity risk

Liquidity risk is the risk that the group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's reputation. The group uses activity-based costing to cost its products and services, which assists it in monitoring cash flow requirements and optimising its cash return on investments.

Maturities of financial liabilities:

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted contractual cash flow, and include contractual interest payments and exclude the impact of netting agreements.

(d) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, which will affect the group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Currency risk

The Company is not exposed to any currency risk. The currencies in which these transactions are denominated is INR.

37 Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group monitors capital using a ratio of net debt to equity. For this purpose, net debt is defined as total liabilities, comprising borrowings, trade payables and other liabilities less cash and cash equivalents. Equity comprises all components of equity. The Group's net debt to equity ratio at 31 March 2025 was as follows.
